

## Dr. Satyajit Kumar

Public Health Leader | Medical Administrator |  
Women & Child Welfare Champion

# PROFILE & PROFESSIONAL BACKGROUND

## Dr. Satyajit Kumar

Dr. Satyajit Kumar is a medical professional and public health leader currently serving as the State Program Officer for PCPNDT Act, ART & Surrogacy Act, Organ Transplant Act, and Adolescent Health under Delhi Health Services. He joined the Delhi Health Services (DHS) in 2008, and since then has played a key role in strengthening healthcare systems and improving the implementation of public health programmes across the state.

He holds an MBBS degree from Vinoba Bhave University, Jharkhand, and further enhanced his expertise by completing a Post Graduate Diploma in Hospital & Health Management (PGDHQM) from the Tata Institute of Social Sciences (TISS), Mumbai (2024–25) — blending strong clinical knowledge with healthcare administration and governance.

### **Correctional Healthcare**

Benchmarking health delivery at Central Jail Hospital, Tihar.

### **Environmental Health**

State Nodal Officer for E-Waste Management (Health Sector).

# LEADERSHIP, ADMINISTRATION & PUBLIC HEALTH ROLES

Demonstrated leadership in medical administration and public health services across institutional and community healthcare systems.

## Service at Central Jail Hospital, Tihar

As the Medical Officer In-charge at Central Jail Hospital, Tihar, Dr. Satyajit Kumar demonstrated his innovative approach to healthcare delivery by implementing holistic strategies that addressed both physical and mental well-being. His initiatives earned accolades for their effectiveness in improving the overall health outcomes of inmates.

## Roles in Regulatory Affairs

Dr. Satyajit Kumar's commitment to social justice and healthcare equity is evident from his tenure as the District Nodal Officer and State Programmer Officer for the PC & PNDT Act. In these roles, he played a crucial part in enforcing legislation aimed at combating gender-based discrimination and ensuring the well-being of women and children.

## Current Endeavours

Currently serving at Ministry of Health, Dr. Kumar continues his mission to promote the "Save Daughter Campaign" and conducts awareness programs in collaboration with diverse forums and organizations. His dedication to advocating for women's and children's rights remains unwavering.

# VISION, IDEOLOGY & PUBLIC IMPACT

Driven by a commitment to social justice, policy reform, and the protection of women and children's rights

Dr. Satyajit Kumar believes in advocating for gender equality, healthcare accessibility, and social justice. He aligns himself with ideologies that prioritize the well-being of women and children and leverages his expertise in healthcare administration to influence policy formulation. Dr. Satyajit Kumar positions himself as a catalyst for change, advocating for robust policy reforms and the stringent implementation of laws to safeguard the rights of the marginalized.

Dr. Satyajit Kumar is widely revered as an exemplary leader whose relentless dedication to public health and societal causes has earned him admiration and respect from all quarters. His innovative approach to healthcare delivery and his advocacy for women's and children's rights have solidified his reputation as a compassionate and visionary leader. Dr. Satyajit Kumar's contributions to addressing critical social issues such as declining child sex ratios have not gone unnoticed, earning him widespread acclaim and acknowledgment from communities, healthcare professionals, and policymakers alike.

Committed to public health, social justice, and the well-being of women and children, Dr. Satyajit Kumar continues to serve with dedication and integrity
